

Fort Bend Theatre

Volunteer Information Sheet

“Hide not your talents, they for use were made. What’s a sundial in the shade?” – Benjamin Franklin

Behind the scenes of every production performed by Fort Bend Theatre is a crew of volunteers not on the stage. Those dedicated to the arts help build the stage, install the lighting and seating, paint the theatre walls and ensure the theatre is in running order to perform for the citizens of Fort Bend County. Your talents in construction, maintenance and public outreach, as well as acting, are needed. Sign up today to be a volunteer and help support your theatre through a contribution of your most valuable resource... your time!
